

Langley Students and Parents Support Guide (K-7) for Remote Learning with myBlueprint

Introduction: The Langley School District will be using myBlueprint as one of the digital platforms to keep your child engaged throughout their remote learning journey. MyBlueprint gives students a variety of avenues to capture and demonstrate their learning and growth. Another advantage of myBlueprint is that parents can be invited to their child's account by their teacher so that they can view the learning activities, comment on their work and stay involved in their child's growth and progress. Please see below for details on the following:

- a) Parent and student login information
- b) Process of student completion and submission of activities/assignments
- c) Parent-teacher communication

More information on the features of MyBlueprint for parent and students will come in the next week.

Task	Instructions
Logging In (For Students)	Through your internet browser, log into your myBlueprint account:
	 Visit <u>www.myBlueprint.ca/sd35</u>
	Click the GREEN School Account Login button and sign in with
	your SD 35 Office 365 credentials (email address and password)
	OR QR code
Receiving a Message (For	To check if your teacher has sent a message, simply:
Students)	Log into your myBlueprint (All About Me) portfolio
	 Click the Messages at the top right, a red dot that signifies
	that a message has been sent

	• Please follow your teacher's instructions of how the work is to
	be completed.
Creating your Boxes/Artifacts	Through your internet browser, log into your myBlueprint account:
(For Students)	 Visit <u>www.myBlueprint.ca/sd35</u>
	Click the GREEN School Account Login and sign in with your
	Office 365 credentials (email address and password) or QR
	code
	 Click "+ Box" on the top right-hand side and select the type of
	artifact (Journal, Media or Specific Box – your teacher will give
	directions on which option you will be using) 💿 Add Box
	🗹 Add Journal
	Add Media

	 Complete the instructions provided by your teacher Once finished, click the GREEN checkmark ("Go") to post
	Spring Break 2020
	This was the strangest Spring Break ever. It was a weind time because we could not go anywhere due to the twrite a virus. We also could not play with our friends because we did not want to transmit the disease on we had to stag away from each other and teep our social distance to view of the star of howave surver with dire and or not micro anyon anyon the howave and or of in our social distance to view of the not not disease.
	the charact to play board games that we have not played with in a long time. It was nice to spend time with my family.
Setting up and Logging in (For Parents)	Parents can support their child's remote learning journey by creating a Family Account to access their students' assignments and posts. To do so, follow these steps: 1. Wait for your student's teacher to send an account invitation, which will look like thic:
	You've been invited to join myBlueprint! Hr, Mr Lewis has invited you to join myBlueprint. Get started on myBlueprint by creating your account below. Create Account
	What is myBlueprint?
	 Click Create Account and fill in the prompts provided:
	Salaction Annual Salaction Annual Salaction Annual Salaction Annual Salaction Annual Salaction Salaction Salaction Salaction Salaction Centious Centious
	3. Create a password and push Continue. Your account has now been created!
