

Week of: April 20-24	Monday 20 th Office Hours: Not today-teams meetings instead	Tuesday 21 st Office Hours: Not today-teams meetings instead	Wednesday 22 nd Earth Day Office Hours: 1-3	Thursday 23 rd Office Hours: 1-3	Friday 24 th Office Hours: 1-3	Weekend (Optional)
General things to know or do:	This week, our priority is: to have our meeting on Microsoft Teams and practice the digital citizenship skills that we are learning and using the tools on Microsoft Teams.	Today would a music day in the building. Check out Ms. Lee's website and her channel on Teams to see what it looks like.			Today would a music day in the building. Numeracy Here is the link to the Khan Academy Multiplication and Division Channel. There are dozens of videos that move through the progression of "What is multiplication?" to higher level questions. If you are unsure how to multiply this week, you may need to back up and watch some of	Warm up Activity: 1) On Microsoft Teams, find the channel "Math Warm-Ups" 2) Follow the instructions on today's post	Warm up Activity: Spend 15 minutes on Mathletics completing math on "live." You find this through the "play" tab.	Warm up Activity: 1) On Microsoft Teams, find the channel "Math Warm-Ups" 2) Follow the instructions on today's post	Warm up Activity: Spend 15 minutes on Mathletics completing math on "live." You find this through the "play" tab.	Mathletics Live! Challenge your teacher – I will be online at 10:00am challenging anyone who is ready to battle on Mathletics Live! (I'm still trying to figure this out so make sure you check back on teams for updates!)	

these videos and try some questions.	<p>1) Watch this video for a refresher on how to use partial products to divide.</p> <p>2) Do the first row of questions here. Do what you can! Finished them all? Great! Finished 3? Great! You get the point 😊</p>	<p>Do the second row of questions here. Do what you can! Finished them all? Great! Finished 3? Great! You get the point 😊</p>	<p>Do the third row of questions here. Do what you can! Finished them all? Great! Finished 3? Great! You get the point 😊</p>	<p>Do the fourth row of questions here. Do what you can! Finished them all? Great! Finished 3? Great! You get the point 😊</p>	<p>Take a picture of the math that you have completed this week and upload it to MyBluePrint.</p>	
Literacy	<p>1) Login to Khan Academy (If you click on the link here, you just login in the corner)</p> <p>2) Watch “What if”</p> <p>3) Do Activity 3 on MyBlueprint You can type it or write it on a paper and upload the picture. Carefully read the instructions, you need to do part A and B.</p>	<p>1) Micro-Fiction: Your challenge... based on the photo here create a (very) short story that is 100 words max.</p> <p>2) Upload your micro-fiction story to MyBlueprint</p> <p>3) Optional: Copy and paste your story to the “padlet” here for other class members to see.</p>	<p>In honor of Earth Day, listen to the true story, “One Plastic Bag” being read aloud. Once you are finished, complete the playful possibilities activity below.</p>	<p>-Read for 30 min.- Post on teams to let us all know what you’re reading this week and to give some book recommendations 😊</p> <p>-Catch up day</p>	<p>-Read for 30 min.</p> <p>-Catch up day</p>	

		Put your name as the title so we know who wrote the story.				
Wellness/ Connectedness	Teams Group Meetings: 12-1230: Seongbin Wyatt Ethan George 130-200: Graci Kaila Leah Gabi Aylin Raz 300-330: Michelle Ella Hyemin Hannah	Teams Group Meetings: 12-1230: Enos Logan Parker Seoyeon 130-200: Emil Liam Horton Nathan Mason Matthew 300-330: Emma Denisa	Make a phone call to a loved one to check in on them. This can be a family member or a friend!	Check in with a friend or two on Microsoft teams. Maybe share a joke or pun in the “Puns and Jokes” channel.	Do something that you love! Here are couple suggestions. 1) Paint or colour a picture. If you need help drawing, you could pick a video from this YouTube channel . 2) Create a maze for someone to solve. 3) Make a word search.	

Playful Possibilities/ Flexible Learning (flexible amount of time)	-Covid-19 Time Capsule pages 1, 2, 3 -Optional: Complete a “P.E with Joe” workout. Click here and scroll down to find today’s workout.	-Covid-19 Time Capsule pages 4, 5, 6 -Optional Complete a “P.E with Joe” workout. Click here and scroll down to find today’s workout.	-Upcycling is finding creative ways to reuse items in order to keep them out of our landfills. -Find instructions on how to create an upcycled bracelet in the “ class materials ” folder on teams. Here is a video too (with some pretty wild music!) -If you do not have plastic bags at home, try to find another recyclable material that you could upcycle into something creative. -Upload a picture of your upcycling to MyBlueprint .	-Covid-19 Time Capsule pages 7, 8, 9 -Optional: Complete a “P.E with Joe” workout. Click here and scroll down to find today’s workout.	Finish up any time capsule work
